We very advise this publication to viewers that are looking for a provocative and psychologically impactful read.

REVIEW OF HUMAN RESOURCE MANAGEMENT RHECTORICS AND REALITIES ANNIVERSARY EDITION MANAGEMENT WORK AND ORGAN

- Merriam Webster's Collegiate Dictionary (Deluxe Audio Edition) is a great learning tool for all ages. Not only are you able to see a word's definition, its pronunciation, its function, its etymology, and its date, you'll hear the word too. Which saves you time trying to pronounce the word yourself. Also, there are great games to play which can enhance your knowledge in other areas of learning. My only regret is that I never had this as a child growing up. Yet, as I stated earlier, it is a great learning tool for all ages.

- Assassin of Gor, the third Gor book that I have read, is clearly inferior to the first two. The storytelling skills so evident in Priest-Kings of Gor and Nomads of Gor are as strongly displayed as ever but it suffers from flaws not present in the other two. Firstly, John Norman has become self-indulgent. He goes into far too much detail on the training and discipline of slaves. To some extent this is necessitated by the plot, a large portion of which takes place in the House of Cernus, the largest slave trader in the city of Ar (think ancient Rome). Nevertheless, it's more detail than I care to read. The counter-argument is that the detail adds to verisimilitude but if you choose this justification, then how do you account for the book's other major flaw: scenes that are so absurdly over-the-top as to be (unintentionally) laughable. Specifically, the slave auction in Chapter 19, the arena battle in Chapter 21, and the tarn race in Chapter 22 defy credulity. Also,

the humor which contributed so much to Nomads is missing, but this is a minor quibble. One other point of note: this is the first story to show one of the Others, who were just hinted at in Nomads and become so prominent later in the series from what I

have read on this website. The Other is kept offstage for most of the book but is seen briefly and at a distance near the end. On the whole I have to say that this was a fun read but it's not as good as Priest-Kings or Nomads.
