### **REVIEW OF GREAT WRITING 4 GREAT ESSAYS 4ED ANSWER KEY**

- I adored this book and the rest of the series. I just wish she would finish the 5th one.
- I just happened to pick up this book out of a drawer at work on a slow night and I couldn't put it down. Not only does the author relay a very good story, she has done a tremendous amount of research on herbs and put together an assembly of characters that touch us all. I can't wait to read the other books in her series.
