## REVIEW OF TESTOVI IZ ISTORIJE ZA 5 RAZRED

- I think Accidental Fiancee was kind of slow but sweet and that Renee Roszel could've made the story a little bit longer because I get the feeling that she rushed through it. I am not giving away the ending or anything but I think it ended too fast and it could've been a little bit more developed. But anywayz the hero is Zachary Merit and the heroine is Olivia Nordstrom.Zack is a daredevil, he jumps out of planes and does stunts for fun. He met Olivia when he saved her from death. (Olivia's's parachute wouldn't open when she jumped out of the plane) After he saved her, a few days later he reads in the newspaper and finds out that he was engaged to Olivia. And then it was kind of predictable about the paparazzi hounding him. And because of that he escapes to his family's home, Merit Island, which has a security like Fort Knox.Olivia is the daughter of a senator that wants to run for presidency. But besides that she is like a goody two shoes person. She arrives to Merit Island to apologize to Zack about their so called engagement. She then faints because of overwork. (I did say she was the daughter of a senator that was running for presidency) Olivia stays there for a week to rest up and while she was there she begs Zack to teach her how to be wild. Because all her life she had to follow her daddy's rules and couldnt be the person she wanted to be. So Zack is teaching her to be wild.But the funny thing is that Zack is having naughty thoughts about little Ms. Olivia and is trying to restrain himself, because of their differences. Some of the stuff that he says to Olivia, comes out all wrong and that was one of

their problems. But read the book to find out! I recommend this to people who enjoy light romances and not the totally in depth stuff. And could somebody please tell me what are the other 2 Merit books? Because there are 3 in this whole set (Merits of

Marriage) and "Accidental Fiancee is the last one and I didnt read the previous 2. ^\_^ ~ Izzy

- Very comprehensive and helpful for abuse survivors. The author is indeed a leading expert in this field.
