So, what are you waiting for? Beginning your analysis journey today with electronic Kawasaki Bayou 185 Repair Manual publication downloads. With so many titles and categories to select from, the opportunities are unlimited. Satisfied analysis!

#### **REVIEW OF KAWASAKI BAYOU 185 REPAIR MANUAL**

- The back cover states "Thoroughly updated for it's Fourth Edition". Not true. The only difference between this and the 3rd edition is that the three Clinical Problem sets at the back of the 3rd edition (pages 347-383) have been replaced by a set of additional questions called the Maintenance of Certification Primer (pages 345-375). In the first 345 pages there may be a few questions that have changed between the 2 editions but I haven't found one yet - even chapter 7, the Pictorial Atlas, is unchanged. And I suspect the same will be true for the 4 online practice exams. Bottom line - buy the 3rd edition used for about \$2 and save yourself \$60. Still, this book is ok for FP boards as is Swanson's.

- The notes on the back of my copy of this book describe it as a "Sophoclean" tragedy. This is a very apt description. Like the plays of Sophocles, Hardy's novel proceeds directly from one mistake and misunderstanding to the next with very little padding in between. As a result, the plot can seem unlikely (as several below have commented). It's sad, however, if people reject it for that reason. This novel contains one of the more fascinating characters in literature. Michael Henchard is a man of the "old school" who conducts business on a hand shake and who constantly acts and reacts to the visible world. Despite this, he is often aware of his mistakes after the fact, yet is unable to use this knowledge to avoid future pitfalls. He's contrasted brilliantly with Donald Farfrae, who is a "new man" who trusts in the future. Ironically (and I suspect intentionally) Hardy make Farfrae seem a far shallower man than Henchard. Yet, the "new man" ends up on top. The end of this novel is one of the bitterest in all of literature. Henchard's will being an almost total negation of his existence. What could be more tragic than that for a flawed, but essentially good man?
