REVIEW OF COLLEGE ACCOUNTING 13TH EDITION TEACHERS GUIDE

- The Street.com , and RealMoney.com, provide a resource almost too good to be true- hard to imagine the wealth of expertise that simply materializes, instantaneously and routinely, to hash out issues- and not a homogenized group from the same gene pool- traders, chartists, fundamentalists, skeptics, tech whizzes-- the Editor -in- Chief [DaveKansas] keeps a low profile, so his presence [and ego] are seldom on display.. it is clear, though, that someone has gently guided this opus along- it's a quieter, calmer, yet impressively thorough look at stuff that 'we' need. I'm a big fan of the project [thestreet.com/realmoney.com]: I hope the excellence manifested at the site results in a commercial success; apparently, the book already is well on the way.. after I finish typing this, I'm ordering two more copies, as gifts[and they thought that they were getting CD's.. !!]
- This book is very concise and useful! I found it very easy to accurately translate quickly.
