REVIEW OF CHAPTER 4 TEST BANK

- The story line is incorrect. Reindeer only fly on Christmas Eve. Flying is magical so they don't need to practice flying ahead of time. If you are really knowledgeable about Santa/North Pole/Reindeer facts, you'll have a hard time explaining this story to children.

- This book was in excellent condition and affordable. The study itself is complete in that the Bible section needed to complete each lesson is reprinted in this book itself. The author of the study book is careful to be accurate in the content of the study while not getting bogged down in all the various 'hype' items related to the book of Revelation. I do recommend this book for a good solid biblically accurate study of this subject.
