REVIEW OF CMRP EXAM PREPARATION

- I first read this book when it was published in 1959. It has held a special place in my memory ever since. A well-told story with strong characters, this gem of a novel was a page turner then and remains so now. I have just read it to my own children, thus reliving a bit of my own childhood. The epic journey its heroes undertake and the lessons it offers about survival are not only timeless, but timely. I recommend The Silver Sword to readers of all ages who like a good old-fashioned story full of heart.
