### REVIEW OF AUDI ALT B6 ENGINE VUBLIS

- What struck me the most all throughout the reading of "Beauty and submission" is the power and bravery behind Maria Pita's prose. She is undoubtedly a wise old soul. Yet, in the same instance, her no-holds-barred honesty about the lifestyle and personal odyssey with her beloved Dom has a youthful innocence that refreshes and renews like rain in the springtime. Love is new, and forever renewed, by each other. Life obstacles faced by most vanilla lovers face are present along with the countless obstacles any alternative lifestyle will bring. Every such mountain is a challenge scaled with intelligent and triumphant results. Missa's enormous heart, and huge capacity to love and submit to her man in the purest sense, will stay with me (and I'm sure all her readers) long after this book is closed. This real life romance makes fictional renditions pale in comparison.

- Dean Koontz books never leave you bored. If you want action packed horror books then buy his. All of his books have exceeded my expectations. There are 3 of the Frankenstein books, buy them all and spend time enjoyimng yourself!!
