## REVIEW OF LOS PERVERSOS NARCISISTAS

- I actually had to discipline myself to resist just blowing off my work and simply reading this book non-stop. The amount of times I laughed out loud to the point of actual tears was many! It was so frustrating to find it too late to call a friend and read a passage from the book to them that I found either hysterical or extremely enlightening. Many thanks to the authors for a book long overdue!
- This book is an interesting read that is easy to get finished in one sitting. If one is looking for a detailed narrative, this book probably is not it.
