So what are you awaiting? Beginning your 8844044412 IT30 downloading trip today and experience all the benefits and ease that the digital globe of books needs to provide!

## REVIEW OF 8844044412 IT30

- Books of Wonder has put out this reproduction of the original 1900 edition with the original, delightful illustrations. I first read this Oz book at age 45 and was well entertained by its imaginativeness and gentle philosophy. I intend on reading more Oz books in the series. L. Frank Baum wrote well. He could be philosophical, sly, or just a master of plain, simple narrative. I could have done without about 25 pages (an editor could have helped), but, by and large, the book is a classic and not just for children. The Lion, Scarecrow, and Tinman will live forever!

- After purchasing Zingerman's Guide to Good Eating, a wonderfully informative book about cheese, bread, olive oil, chocolate and many other artisan foods, I had high hopes for this book. On the positive side, it contains many excellent ideas on providing truly distinguished customer service, which are presented in a succinct, easy-to-read style. However, this book would have been more compelling if the author had illustrated these ideas with specific examples of how Zingerman's staff have provided superior service to customers or how they have handled difficult or unusual situations with customers. On the very last page of the book, Mr. Weinzweig writes: "Tell service stories. The knowledge of things that staffers do to provide guests with great service needs to be shared. People like to hear stories." Too bad that he didn't take his own advice when putting this book together.
