#### **REVIEW OF MECHANICAL ENGINEERING THESIS TOPICS LIST**

- This is a beautifully written piece of artwork. The story is touching, the characters are engaging, and the writing is superb. The two won a well-deserved Oscar for their mastery. If there was a higher grade than 10, this piece deserves it.

- Amazon, or whoever produced the art for this edition, is displaying the wrong portrait on the cover. The portrait above is of the 19th century's favorite of Charles II and a popular poet and satirist. Quite a shoddy, lazy mistake... The poor effort here has disinclined me from purchasing this Samuel Butler, the author of "Erewhon" and a translator of Homer's work. The author of this work was the Samuel Butler of the 17th century, a electronic version.
