## REVIEW OF HOW TO ANSWER SITUATIONAL JUDGEMENT TEST

- I wish that Jim Starlin had the opportunity to illustrate this one. It brings all his former characters together. Warlock, Thanos, Pip the Troll. George Perez brings a new perspective to his characters. This one has it all. The destruction of the universe as we know it. It doesn't get any better than this! Lady Death

returns for a shock ending that should have stuck. If Marvel didn't revive Thanos, it would have been have a fitting end to the deadly character. He exists at the end of the story.....but there is a twist I won't tell you about.

- Very informative book about the broad knowledge base science now has on cosmology. But I felt it was too inconsistent in its

appeal. Never really written in a style that I could relate to. It starts off well, but the last few chapters were difficult to finish. That material was not nearly as interesting as the beginning stuff. But he definitely knows a lot about Cosmology. I just can't relate to his style of communicating that knowledge. Try Calibrating the Cosmos for a much better read.
