REVIEW OF CASE STUDY IMC

- If you like adventure, then you'll

like this book. The little hobbit was just smoking his pipe when a wizard and a gang of homeless dwarves came along to coax Bilbo into an adventure of a life-time! Read along and see if they can defeat the dragon Smaug and get the

treasure that was rightfully theirs? I hope you'll like this book as much as I did.

- The book is already great but that version brings another pleasure in the reading! Hard cover, great reading comfort. I recommend it !
