REVIEW OF AMINATA BY FRANCIS IMBUGA PDF

- Quick read because the book is really a short story and some of the character language can be annoying but necessary per the theme of the novel . Interesting read especially since the book was written in the late 1800s but set in our future. Not your typical "end of the world" novel with all

the "glitter" and multiple story lines like Earth Abides (same genre) but for being written so long ago the author hit the nail on the head per the cascading long-term effects of a "Scarlet" event.

- This book isn't terrible I had to read it for my AP English class and so far it has been the easiest read. I would recommend it to anyone who likes books of that time frame.. The language uses a lot of thee's and thou's
