M L A CITATION STYLE

One of the required books to use when writing this new style of paper was the MLA handbook. At first glance I thought that this book would be a rough overview of things I already knew since that is what most books of this are. However, the MLA is much different, I am convinced, after 7 months of use, that this is THE PERFECT format book ever.

REVIEW OF MLA HANDBOOK FOR WRITERS OF RESEARCH PAPERS 6TH EDITION

- Stormy Weather was the first Hiaasen novel I read. I picked up a paperback copy at a remainder sale. Never heard the name of the guy and didn't expect much; but it was cheap, and so...Boy, was I wrong! Since then I have made sure that I read every Hiaasen in and out of print, and I'm about to catch up on some of his real old stuff. His writings opened up the world of the writers and the universe of that nook of America called 'Florida', which is about as whacky and demented as it comes. Actually, I've been to Florida, though not down to the Keys; but it's amazing what you miss when you basically just pass through or dip in and out of it. No wonder Piers Anthony used it as the setting for a bunch his, firmly tongue-in-cheek, fantasy novels. Stormy Weather, to get back to the subject, piled on charcaters I'll never be likely to forget, from the skull-juggling Augustine to the simply impossible 'Skink'. A never-ending litany of ascerbically presented character sketches and Hiaasen's usual--entirely justified!--tirade and caricature of venal politicians, environmental rape and greed; plus some truly and honestly stupid people. Fun and games and I never looked back. There are other 'Florida' writers I've come to like, especially James Hall and Laurence Shames. Depending on my mood, I sometimes like them better than Hiaasen, especially Laurence Shames. All three of them offer different perspectives on life in and beyond that strange place called 'Florida'. As I said, it depends on my mood. Hiaasen usually ends up at the top when I'm in a 'South Park' disposition; needing satire with heart. And I

need some more of that now and soon and please!Till Noever,
owlglass.com

• short review - a great summer read and a very good Carl book,
which means Florida and odd characters.
