## REVIEW OF NIKON D300 MANUAL FOR DUMMIES

- I read it when I was 11 and my opinion was, and still is, "pretty good, for a romance." But it's probably just me, because I'm more into science fiction and mythology. bit of a difference, isn't it? P.S.- if you really liked GWTW, don't read the sequel, *\_Scarlett\_*. I'll tell you, it's pretty different from what I imagined.

- Ever read a good book? My favorite book is *Gone With the Wind*. The Main characters are Scarlett O'Hara, Ashley Wilkes (BOY), and Melanie Hamilton. Since Scarlett is mentioned more often, we'll call her the mainest character. Scarlett is selfish, arrogant, hypocritical, and just down right mean! In this story, Scarlett is in love with Ashley. Ashley is to marry his cousin, Melly, ( Sick right?), even though he loves Scarlett. Though Scarlett tries to make him jealous by marrying other men, Ashley stays loyal to his frail wife. Then, Scarlett, after 2 marriages that ended in the husband's death, comes upon a broad-backed, strong, handsome, rich, Charlestonian man. In the end, Scarlett ends up with her 3rd husband, leaving her with 2 children from previous marriages, one dead child, no friends, a large house, and oodles of money! Isn't this what she's wanted? Although this story is from evil Scarlett's point of view, it's still a wonderful story full of action, romance, sad and happy times, and hilarious scenes that don't quite seem to fit. Scarlett does the most hilarious things to get Ashley to notice her and he does many in return. I think that this book should be for 8th grade and up. If you're a boy you have to LOVE romance to like this and ladies don't need to be any personality or like any types of books, because there's things for all appeal. CAUTION: This book may lead to much dictionary research and much more study of the Civil War!
