REVIEW OF SUDANESE ARABIC ENGLISH ENGLISH SUDANESE ARABIC A CONCISE

- My twin brother Peter and I read this book aloud to each other on a car trip from Boston to CT. -- and back again. We couldn't stop til we were finished reading the entire book. It felt as though we were being charged with electricity with every turn of the page. Writers, artists and animators ourselves, we value this kind of recharge! Kudos to Robert Grudin for one of the world's most useful books!
- It's a great story. And in my opinion the real main character is Sam. The books show him maturing from simple gardener to warrior to master of his own domain.
