Church, connect with fellow visitors, and compose your very own testimonials. Satisfied analysis!

REVIEW OF ST JOHN THE EVANGELIST CATHOLIC CHURCH

• I am 12 years old next week. Although I'm not the oldest or the wisest I know this book is the best. Expect the unexpected as you go into a magical journey. This book has inspired my art with dragons, shades, urgals, and elves. It has taken me 2 days to read this book between homework assignments. I just couldn't put it down! Have fun reading

this and make sure you soak up all the magic!!:) :) :) :) :) :) :) :) :) :) :) :) :) :) :) :)(...)

• I picked this book up at a Barnes and Noble bookstore (... uhh, is it taboo to dare mention B&N; on amazon??? ... probably but too late now!). It was under their "staff picks" section with the recommendation "forget Harry Potter, read THIS!!!"Well, I have read Harry Potter, and let me assure you, this is no Harry Potter!However, neither is it a completely worthless read, either. It is certainly grounded in Tolkien middle earth type settings. Elves, dwarves, etc. The dragon part is a new twist. The story goes something like this: Boy finds dragon egg, dragon hatches, boy is thrust into a serious adventure not of his choosing. It is a fairly rudimentary plot,

with obviously raw writing, but there are still compelling parts to the story, and I would recommend it. Is it on the same level as stories such as the LOTR trilogy, or Ender's Game, or the Foundation

series??? No. Does it have a template feel to it? Sort of. But it is still unique enough to carry itself as some light, enjoyable reading.
