So, if you're looking for a captivating read, Laporan Ppl Bank Syariah Paringanblog is absolutely worth taking into consideration.

REVIEW OF LAPORAN PPL BANK SYARIAH PARINGANBLOG

- Ethan Frome is not considered typical of the Wharton oeuvre. Published in 1911, it is short and the rural setting is as much or more of a factor bearing tragedy than the rigid social convention Wharton skewered in *The House of Mirth* and *The Age of Innocence*. And there is something else that sets Ethan Frome

apart from Wharton's other novels: the author addresses the reader in a preface in which she sets out the risks she took in portraying a character who is a product of the harsh winter landscape of New England and the difficulty of revealing the story of a man seemingly as silent as the granite outcroppings that surround him. She needn't have worried. What she did was to use a narrator who arrives on the scene as a stranger to the rural outpost of Starkfield, Massachusetts. A civil engineer working on a power plant project, he is struck by a silent, limping figure about town--that's Ethan Frome. He gets sketchy details about Frome from his landlady and the postmaster, something about a tragic smash up years before, but it isn't until the engineer and Frome are caught in a storm together and take refuge in the latter's farmhouse that the story comes into focus, one that begins shortly before the accident, when Frome was still young but honoring marriage vows to a controlling hypochondriac wife. When her young, pretty relative arrives to attend to her, Frome's heart is tempted. Wharton delivers a long ago America in shattering clarity, defined by the terrain, the isolation and a code of morality that are as much fully drawn characters in this drama as are the human beings. Wharton's style is clear, and her exercise of symbolism, setting, character, plot and perspective are brilliant.

- I really enjoyed this book. It is my first Edith Wharton attempt. I read it one rainy weekend this past spring as heavy storms kept us all pent up. I highly recommend this book to every reader. I can't say more than other reviewers have already said nor can I say it more effectively. To the students assigned this book, I suggest that you look at how Wharton writes. The fascination the world has with a forbidden love is a popular theme, but Edith Wharton weaves magic into the familiar plot by adding a flair for charming description, intricate detail and symbolism that chills every reader to the bone. If you don't enjoy Wharton's novel as I and many others have, think of reading it as an experience on your to-do list. Ethan Frome should be on everybody's to-do list.
