REVIEW OF ELMINSTER THE MAKING OF A MAGE FORGOTTEN REALMS 1 ED GREENWOOD

- Perrault's story needs no recommendation, but Marcellino's big, rich illustrations are particularly wonderful. Puss is marvellously animated and full of character. My 2-year-old daughter loves it, and doubtless will for years.
- Personal accountability, integrity, character - whatever you label it, it's doing the right thing, even when no one else is watching. "Your Signature Life" is a personal-development home run! Through captivating imagery and intriguing statistics, Dianna

Booher challenges us to examine our lives to see what kind of character we are developing. Do we reflect light or darkness? She shows us how our experiences and relationships may help to form the way we look at the world, but they do not have to define who we are or who we will become. Although we cannot control the actions of those around us, we are called to control our responses to those actions. Personal accountability is not a thing of the past. We can and must have it today if we ever hope to look back over our lives and smile. Others are watching. God is watching. Ms. Booher's latest release, "Your Signature Life," is a triumph for those seeking to live a life of integrity and total fulfillment.
