REVIEW OF COOKIES A MR AND MRS GREEN ADVENTURE GREEN LIGHT READERS LEVEL

- I thought this book was absolutely wonderful. The plot was well written, and with enough twists to keep the book interesting the whole way through. I really admire the strong lead characters. I liked the way that she showed Honoria

had a real problem with marrying Devil. She showed strength AND wisdom, not one or the other. The characters were all three dimensional not flat and boring. This book inspired me to read all of her books, and get me hooked on reading about Cynsters. Defintely my favorite, so far.

- Salutations full of resin from Brasil!This work by Mr. Cervantes is an

indispensable item for the serious cannasseur!Although it still needs some more complements, no one intending to grow cannabis is allowed not to read it!!Full of pictures and clear explanations, this is all you need from beginning to end in order to have strong buds from your garden, be it indoors, outdoors or hydroponics.I'd love to translate it into Portuguese!
