REVIEW OF INTERMEDIATE ACCOUNTING IFRS EDITION

- This book is one of my favorites....I have re-read the first and second book

over again. You will really enjoy!

- I first read this book when I was a teenager in the fifties. I found it great. Since then, I have read it numerous times and still think it is probably the best historical book ever written. Other books by Waltari are also great. The Adventurer and The Renegade are also very good. I have read them all. The religious turmoil in the middle ages described in The Adventurer is amazing in its accuracy and emotion. The sack of Rome and the terror of the Inquisition scared me 40 years ago and still make me uneasy. Will it occur again
