Photonics recaps today and uncover your next wonderful read!

REVIEW OF CAMBRIDGE ILLUSTRATED HANDBOOK OF OPTOELECTRONICS AND PHOTONICS

- Before it was fashionable or even acceptable to be an intelligent women in command of herself, Charlotte Bronte created Jane Eyre, a heroine unsurpassed in courage, dignity, wisdom and self-containment. Bronte didn't resort to stereotypes of the day by creating a beautiful but wan heroine with giddy, sensual, flirtatious or fickle allure, but rather a woman who earns the reader's respect with her naive and quiet candor, her wit and constancy. Even her

plainness, mediocre physical appearance and lack of skill become endearing as Jane is created to be real. However, though I respected Jane, the tale was so sluggish in the beginning that I almost stopped reading. Most characters were dull or too unlikable, and the storyline, though of interest to me, was blandly written. It was the entrance of the temperamental and ugly Rochester that sparked my attention. The dynamics and chemistry between Jane and Rochester are the best I've experienced between two characters in a novel. Their relationship was far deeper than most romances written in the novels of Jane Austen or Georg Elliot, as Bronte explores the characters' thoughts and feelings more than she does their economic dilemmas. Having read this

novel innumerable times, I count it amongst the most satisfying and engaging of the stories I've known. Not only do I collect hardcover copies of it, I also own every movie made from the book (5 to date, I believe). It isn't necessarily a flawless novel, but it is passionate, haunting and stirring in its very imperfection.

- I recently finished reading the book Jane Eyre. It was really good! Even though the vocabulary is somewhat challenging, it was worth it (even if you need a dictionary:!) I enjoyed reading it because it was well-written. Charlotte Bronte has a way of writing descriptions of characters and dialogue with humor. It's also nice to read a book and to be able to say it was worth reading. It doesn't have unpleasant surprises or

unnecessary details of violence. It doesn't dwell on violence, either. Though Jane has a rather depressing time in her early life, she doesn't dwell on being unhappy (She kind of reminds me of

Cinderella). Read Jane Eyre to find out if her determination to remain virtuous will be stronger than her desire to be with the man she loves and admires!
