Twelve-year-old twins Nick and Eryn and their robot stepsiblings, Jackson and Ava, try to save humanity from killer robots.

*A 25-Step Guide For Making You More Likeable* "O'Reilly Media, Inc."

Using research in neurobiology, cognitive science and learning theory, this text loads patterns into your brain in a way that lets you put them to work immediately, makes you better at solving software design problems, and improves your ability to speak the language of patterns with others on your team.

**A Novel** Canongate Books

From New York Times bestselling author Margaret Peterson Haddix comes the first book in a “crisp, intriguing, and thought-provoking” (Booklist, starred review) new series about twins who are on a quest to discover the secrets being kept by their new family. Nick and Eryn’s mom is getting remarried, and the twelve-year-old twins are skeptical when she tells them their lives won’t change much. Well, yes, they will have to move. And they will have a new stepfather, stepbrother, and stepsister. But Mom tells them not to worry. They won’t ever have to meet their stepsiblings. This news puzzles Nick and Eryn, so the twins set

out on a mission to find out who these kids are—and why they’re being kept hidden.

## **REVIEW OF 9 HEADS A GUIDE TO DRAWING FASHION NANCY RIEGELMAN**

- I must urge regular readers of Matt Braun to be wary when approaching this novel .Originally published under the pen name of Tom Lord in the mid 1980's it is what is euphemistically and erroneously referred to as an "adult Western "which is to see it features copious amounts of anatomically explicit sexual couplings and is a great deal more graphic than the average Braun novellIt is part of a series featuring Pinkerton agent "Ash Tallman "and there are parallels between him and an earlier Braun hero "Starbuck -both are essentially spies at work in the

West tracking down the bad guys .Tallman works with a female partner ,Vivien Valentine "who shares Tallman's bed as well as being his professional partnerThe setting is Texas in the Reconstruction era. Tallman and Valentine are called in by the governor to get to the bottom of a violent and bloody feud between two families ,the Taylors and the Suttons ,a feud seemingly linked to divergent loyalties during the late Civil War .The governor wants the matter rsolved before the violence escalates and becomes a state wide problem .Vivien poses as an evangelist and insinuates herself with the areas principal movers and shakers including the priapic and lustful Garwood and the prim and puritanical Giull .Tallman adopts a variety of guises including a dime novelist and a cowhand and the dynamic dup soon uncover a plot by outside factions to stir up animosity for

their own pecuniary gainThis is pretty routine fare and gives the impression of a book the author wrote to order and to which Braun is not fully committed .Tallman is a pale shadow of the far livelier and more interesting StarbuckIt is the frequent and graphic sex scenes that do most to damage the book however - they are dull and unimaginatively written and seem out of place in a genre that has usually been more circumspect in its treatment of sex than have been other genres .They will reduce the books acceptability to the traditional Western reader

- I bought this book because I thought it would be a funny look at how to deal with a breakup. The cover certainly inspired me.Unfortunately, while this book is not horrible, there is nothing new in here. The humour is limited and the advice is standard. Pretty basic stuff.
