Publishing E-Books For Dummies Que Publishing

Lay down some tracks—no garage required! GarageBand has become the default musical sketchpad for both well-known artists and hobbyist musicians who want a simple way to record, edit, and share their own tunes. GarageBand For Dummies is your go-to guide to navigating the interface and

making the tweaks to create your own songs. Look inside to discover how to lay down a beat with the virtual drum kits, layer on sweet sounds with built-in virtual instruments, and attach simple hardware to record vocals or live instruments on a Mac, iPad, or even an iPhone. Use built-in instruments to create a song Attach your guitar or mic to record live sounds Export your final product or individual tracks Add effects and edit your song GarageBand is the simplest way to create basic tracks without investing in costly hardware and learning a complex digital audio workstation software package—and this book shows you how.

iPad For Dummies John Wiley & Sons

From Norman invaders, religious wars—and the struggle for independence—the fascinating, turbulent history of a tortured nation and its gifted people When Shakespeare referred to England as a "jewel set in a silver sea," he could just as well have been speaking of Ireland. Not only has its luminous green landscape been the backdrop for bloody Catholic/Protestant conflict and a devastating famine, Ireland's great voices—like Joyce and Yeats—are now indelibly part of world literature. In *Irish History For Dummies*, readers will not only get a bird's-eye view of key historical events (Ten Turning Points) but, also, a detailed, chapter-by-chapter timeline of Irish history beginning with the first Stone Age farmers to the recent rise and fall of the Celtic tiger economy. In the informal, friendly For Dummies style, the book details historic highs like building an Irish Free State in the 1920s—and devastating lows (including the Troubles in the '60s and '70s), as well as key figures (like MP Charles Parnell and President Eamon de Valera) central to the cause of Irish nationalism. The book also details historic artifacts, offbeat places, and little-known facts key to the life of Ireland past and present. Includes Ten Major Documents—including the Confession of St. Patrick, The Book of Kells, the Proclamation of the Irish Republic, and Ulysses Lists Ten Things the Irish Have Given the World—including Irish coffee, U.S. Presidents, the submarine, shorthand writing, and the hypodermic syringe Details Ten Great Irish Places to Visit—including Cobh, Irish National Stud and Museum, Giants Causeway, and Derry Includes an online cheat sheet that gives readers a robust and expanded quick reference guide to relevant dates and historical figures Includes a Who's Who in Irish History section on dummies.com With a light-hearted touch, this informative guide sheds light on how this ancient land has survived wars, invasions, uprisings, and emigration to forge a unique nation, renowned the world over for its superb literature, music, and indomitable spirit.

REVIEW OF IPAD FOR DUMMIES

- Despite the extremity with which Orwell depicts this totalitarian state, this story speaks at a much smaller level as well. In a day and age where brainwashing among civilized countries is ignored despite its presence, this is an important novel. Studies have shown how humans, like chimps, end up gaining a following when in a dominant position in society. Only 1984 shows how humans take it to the extreme. Of course this novel does use exaggeration to stress its point. And it does so quite effectively, I might add. The end is fantastic, a climax that is the culmination of Smith's life.
- "1984" is more or less what awaits us at some point in the future, I believe. In this prophetic novel, George Orwell shows us a future world under strict totalitarian rule, without freedom or democracy, where nothing is allowed and any offense is severely punished, where everyone is under surveillance, and there is no privacy, no freedom, only mandatory obedience to state police control and government authority. David Rehak author of "A Young Girl's Crimes"
