REVIEW OF ADVANCED QUANTUM MECHANICS BY SATYA PRAKASH

- Never has any book on the subject been written with this degree of detail,.. all in a pragmatic and real step by step fashion. Simply Stated,.. No stone is left unturned.... No Pebble is left unturned either!! I felt enlightened. Tom Lucier is a Real Estate Genius that shares his knowledge without holding even a syllable back. The had that puts down this book, is a more confident hand, with a "true sense" of the real possibility of making it Actually Happen. Unlike other books on real estate,

where you are left "All dressed up and nowhere to go" I would bet that anyone who puts these methods into action will have a "Dramatically Positive" net result when they look at their real estate portfolio a year from now.If Amazon gave 6

stars, this guy would deserve it!

- ... if they don't even know what premarital counseling is about.A balanced summary of ideals vs. practical advises. More realistic tone than the "Men are from Mars, Women are from Venus" series.
