*Book One of the Crusades Trilogy*  
Wheatmark, Inc.

This complete history of the First Crusade places particular

emphasis on using eye witness accounts of the happenings as its source. Author August Krey notes that the eye witness accounts written during the time of the Crusades were really the first time since the fall of the Roman Empire that we derived information about life, societal culture and norms in the Middle Ages in Europe. Krey uses this influx of writings to construct an accurate and detailed history of the origins and happenings of the First Crusade.

Keeper of the Grail  
Wheatmark, Inc.

Balian has survived the devastating defeat of the Christian army on the Horns of Hattin, and walked away a free man after the surrender of Jerusalem, but he is baron of

nothing in a kingdom that no longer exists. Haunted by the tens of thousands of Christians now enslaved by the Saracens, he is determined to regain what has been lost. The arrival of a vast crusading army under the soon-to-be-legendary Richard the Lionheart offers hope -- but also conflict, as natives and crusaders clash and French and English quarrel.

**Plants, Charms, and Amulets of the Healers of the Crusades** Createspace Independent Publishing Platform

The volume comprises lightly annotated translation of a key medieval Arabic text that bears directly on the Crusades and Crusader society and the Muslim experience of them.

**The Rule of the Templars** Ozymandias Press

A breathtaking and sweeping epic of a family at its breaking point, Devil's Brood shows how Henry II and Eleanor of Aquitaine—two monumental figures once bound by all-consuming love—became the bitterest of adversaries... A.D. 1172. Henry II's three eldest sons conspire against him and align themselves with his greatest enemy, King Louis of France, but it's Eleanor of Aquitaine's involvement in the plot to overthrow her husband that proves to be the harshest betrayal. As a royal family collapses and a marriage ends in all but name, the clash between these two

strong-willed and passionate souls will have far-reaching and devastating consequences throughout Christendom.

**God's Battalions** St. Martin's Press

In 1099, the city of Jerusalem, a possession of the Islamic Caliphate for over four-hundred years, fell to an army of European knights intent on restoring the Cross to the Holy Lands. From the ranks of these holy warriors emerged an order of monks trained in both scripture and the military arts, an order that would protect and administer Christendom's prized conquest for almost a century: the Knights of the Temple of Solomon, or the Templars. In this

articulate and engaging history, Piers Paul Read explores the rise, the catastrophic fall, and the far-reaching legacy of these knights who took, and briefly held, the most bitterly contested citadel in the monotheistic West. Drawing on the most recent scholarship, and writing with authority and candor, Read chronicles the history of the blood-splattered monks who still infiltrate modernity in literature, as the inspiration for secret societies, and in the backyard fantasies of any child with access to a stick and a garbage can lid. More than armed holy men, the Templars also represented the first uniformed standing army in the Western world. Sustaining their

military order required vast sums of money, and, to that end, a powerful multinational corporation formed. The prosperity that European financiers enjoyed, from the efficient management of Levantine possessions and from pioneering developments in the field of international banking, would help jump-start Europe's long-slumbering Dark Age economy. In 1307, the French king, Philip IV, expropriated Templar lands, unleashing a wave of repression that would crest five years later. After Templar leaders broke down and confessed, under torture, to blasphemy, heresy, and sodomy, Pope Clement V suppressed the Order in 1312. Was it guilty

as charged? And what relevance has the story to our own times? In this remarkable history, Piers Paul Read explores the Crusades and the individual biographies of the many colorful characters that fought them.

Jerusalem Boydell & Brewer

In the final gripping volume of Jan Guillou's boundary-breaking Crusades Trilogy, exiled warrior Arnd Gotha returns home to Sweden, determined to liberate and unite his homeland in what promises to be his greatest trial yet. Traveling from Saladin's sand-swept Holy Lands to the Scandinavian North, Arn's final adventure is a captivating historical

narrative encompassing the struggle for honor, the quest for lost love, and the momentous clash of European and Middle Eastern cultures. Fans of Bernard Cornwell, Conn Iggulden, William Dietrich, and James Clavell will be enthralled by Jan Guillou's Birth of the Kingdom, the stunning and dramatic climax to a tale begun in The Road to Jerusalem and The Templar Knight, and a masterpiece of epic and magisterial historical fiction.

**A Biographical Novel of Balian d'Ibelin**  
Harper Collins

This is the first novel in a trilogy that follows the fortunes of Arn Magnusson. Born in 1150 to an aristocratic family, Arn is taught the best of spiritual

and worldly learning. When he grows up, he joins the Knights Templar.

*The Templars*  
Sourcebooks, Inc.

From New York Times bestselling author Elizabeth Chadwick comes another long-awaited novel about William Marshall, The Greatest Knight. To save his soul, young knight William Marshall takes the perilous road to Jerusalem, but the greatest danger he faces there is losing his heart. William Marshall, England's greatest knight, begins a pilgrimage to the Holy Land with his brother, Ancel — a perilous journey that will have lasting impact for the rest of his life. William and Ancel become embroiled in the deadly politics of Jerusalem, devious

scheming and lusts of the powerful men and women who rule the kingdom. Becoming entangled with the dangerous, mercurial Pasca de Riveri, concubine of the highest churchman in the land, William treads a path so dangerous that there seems no way back for him, or Ancel. Both will pay a terrible price, and their only chance to see home again will depend upon the Templars and two silk shrouds. In this glorious adventure, bestselling author Elizabeth Chadwick sweeps the reader to medieval Jerusalem in a story perfect for fans of Ken Follett and Philippa Gregory.

**The Dramatic  
History of the  
Knights Templar,  
the Most Powerful**

## **Military Order of the Crusades** Penguin UK

Born in 1150 to an aristocratic Swedish family, handsome Arn Magnusson is educated at a Cistercian monastery. As well as training to be a monk, he is to be a warrior, and becomes a master archer and swordsman under the tutelage of the giant Brother Guilbert, a former knight. But Arn is innocent in the ways of the world, and when two beautiful sisters cross his path, despite falling desperately in love with one of them, Cecilia, he is seduced by the other. Such a crime is punishable by both civil and clerical authorities, and, while Cecilia is banished to spend twenty years as a nun, Arn is sentenced to serve the same period as a Knight

Templar in the Holy Land. As an occupation officer in Palestine, he discovers that the infidel Saracens don't appear to be brutish and uncivilised as they are portrayed in Christian propaganda. On the contrary, in love and war he learns from the example of his noble adversary Saladin that there's another side to the teachings of the Cistercians;

The Healing Practices of the Knights Templar and Hospitaller Simon and Schuster

A fundamental reassessment of Christian/Islamic relations during the First Crusade, combating its representation as an inter-faith clash of civilizations.

Pagan's Crusade Open

## Road Media

In God's Battalions, award-winning author Rodney Stark takes on the long-held view that the Crusades were the first round of European colonialism, conducted for land, loot, and converts by barbarian Christians who victimized the cultivated Muslims. To the contrary, Stark argues that the Crusades were the first military response to unwarranted Muslim terrorist aggression. Stark reviews the history of the seven major Crusades from 1095 to 1291, demonstrating that the Crusades were precipitated by Islamic provocations, centuries of bloody attempts to colonize the West, and sudden attacks on Christian pilgrims and holy places. Although

the Crusades were initiated by a plea from the pope, Stark argues that this had nothing to do with any elaborate design of the Christian world to convert all Muslims to Christianity by force of arms. Given current tensions in the Middle East and terrorist attacks around the world, Stark's views are a thought-provoking contribution to our understanding and are sure to spark debate.

**Islam and the Crusades** Tales of Chivalry

A knight in the Holy

Land. A woman in the frozen north. A war that kept them apart... Among the last bastion of God's holy warriors determined to save Jerusalem from the Muslims, Arn Magnusson of the Knights Templar is renowned as a man of compassion, strength, and faith, even among the enemy Saracens—Saladin and his Muslim followers. Yet, neither time nor distance can lessen Arn's pain of separation from his beloved Cecilia; confined to a cloister back home in western Götaland, his betrothed, the mother of their newborn son, is a pawn in a war between clans vying for control of the crown. And when an accident of fate brings together Arn and

Saladin, an unlikely friendship is forged that will alter the course of the Templar knight's life, and the history of Jerusalem itself.

**St. Louis' Knight**  
Harper Collins

“Destined to become a classic, *The Road to Jerusalem* is a brilliant, dramatic recreation of the medieval world.”  
—Sharon Kay Penman, New York Times bestselling author of *Devil's Brood* Already an international sensation, *The Road to Jerusalem* by Jan Guillou is the epic story of the Knights Templar. A major bestseller in Europe—with more than two million copies sold in Sweden alone—and the basis for the most lavish and expensive Swedish film ever made, it is a novel Diana Gabaldon calls,

“beautifully constructed...skillfully written and translated.” Historical fiction lovers, particularly fans of the sweeping, bestselling adventure novels of Bernard Cornwell, will be captivated by this magnificent tale of romance, faith, and battle set against the backdrop of the Crusades.

The Knight Templar  
Penguin

A crusader in search of faith, a lame lady in search of revenge, and a king who would be saint. "St. Louis' Knight takes you to the Holy Land in the 13th century, a world of crusaders, holy men and assassins."

The First Crusade  
Cambridge University Press

Here is the tale of

Godfrey de Montferrat, a boy who became both a monk and a knight who swore an oath to defend the Kingdom of Jerusalem. It is also the tale of that kingdom, which men called Outremer-The Land Beyond the Sea. With the miraculous success of the First Crusade, all said that the heroic tales of old had come to life in that place. By Godfrey's time-the late 12th century-the Kingdom is dying, chivalry fading, hope growing cold, and foes pressing hard from every side. But Godfrey stands in contradiction to the prevailing rot-a young man striving to live up to the heroic ideal. Surrounded by greed and corruption, Godfrey must determine where his true loyalties lay: to

friends? to prince? to love? to God? Around Godfrey swirl the loves, betrayals, triumphs, and disasters of the Kingdom's waning years. Knight of the Temple weaves together an exciting, multi-layered and historically faithful tale of the Land Beyond the Sea. From the desert wastes of Egypt, to the bustling streets of medieval Antioch, to the Holy City of Jerusalem itself, Nathan Sadasivan paints a vivid portrait of the Crusades strewn with unforgettable characters - Amalric, the ill-tempered King of Jerusalem; Malik, the proud young Saracen; Jacques, Godfrey's childhood friend; Tristan, the single-minded swordmaster, and Andronicus, the enigmatic Byzantine

prince, among many others Knight of the Temple is the first book in the Crown of the World trilogy.

*The Book of Contemplation* The History Press

A lavishly illustrated, comprehensive look at the mysterious history of the Order of the Knights Templar • Presents the myths and historical truths of the Knights Templar, the elite warrior army of the pope who were destroyed as heretics some 700 years ago • Examines the evidence of the Templar connections to the Assassins and the Cathars • Includes more than 170 period illustrations and contemporary photos of former Templar strongholds in Europe and Jerusalem Despite the increasing

scholarship devoted to the study of the Templar order, founded in 1119, the mystery surrounding the Templars endures. Secret societies from the Freemasons to the Ordo Templi Orientis claim descent from this religious order of warrior-monks. As the private army of the pope, the Knights Templar were initially established to protect Christian pilgrims traveling to the Holy Land but grew to become one of the most powerful organizations in the Middle Ages. With period illustrations from manuscripts from the Crusades, interpretive romantic paintings from the 18th and 19th centuries, and contemporary photos by Steven Brooke and others of

former Templar strongholds in Europe and Jerusalem, James Wasserman, author of the bestselling *The Templars and the Assassins*, provides a fascinating history of the Order and the many mysteries and legends that surround it. Wasserman presents the evidence for the Templar connection to mystical Islamic organizations such as the Assassins as well as their ties to “heretical” groups such as the Cathars, who were targeted by a crusade in southern France to expunge the challenge they presented to the orthodoxy of their time. In addition to providing an overview of the Templars’ actions during the Crusades, Wasserman revisits the trial and

the charges leveled against them, showing how the Order was ruthlessly crushed. He also explores the nature of the treasure they left behind, which has fueled popular imagination for centuries.

The Templar Knight  
Bloomsbury Publishing

In twelfth-century Jerusalem, orphaned sixteen-year-old Pagan is assigned to work for Lord Roland, a Templar knight, as Saladin's armies close in on the Holy City.

## FINAL THOUGHT

We hope you're as delighted about the world of The Road To Jerusalem Knight Templar 1 Jan Guillou publications as we are! Our store is dedicated to offering an exceptional reading

experience for all. With our wide array of books, from new releases to ageless classics, there is something for every person. Our dedication to consumer contentment implies that you can go shopping with confidence, recognizing that your order is in excellent hands.

And if you ever need aid finding the excellent publication, our educated staff is here to offer individualized recommendations.

## **REVIEW OF THE ROAD TO JERUSALEM KNIGHT TEMPLAR 1 JAN GUILLOU**

- I was excited about reading this book. The first bio I turned to was that of my favorite, Buster Keaton. After reading a bit of the bio, I put the book down and returned it back to the library where I got it. The information listed in there was wrong. They had a couple of facts that were not true, so that left me feeling very disappointed. If that one bio was filled with misinformation, how many others are?

- Jay R. Galbraith is an internationally recognized expert on organization design. He is a Senior Research

Scientist at the Center for Effective Organizations at the University of Southern California and Professor Emeritus at the International Institute for Management Development (IMD) in Lausanne, Switzerland. This book is a updated/revised edition of 'Designing Organizations' which was originally published in 1995. It is split up into 10 chapters. Chapter 1 - Introduction - really sets the stage for the rest of the book. It discusses the six main organization shapers: the increase buyer power; increase in the number of products and services; the Internet; multiple dimensions (functions, products, and geography, but also

customer segments, solutions or offerings, and channels and processes); the requirement for a capacity to change; and speed (in bringing products and services to the market). The following two chapters discuss how companies have to shape their organizational design, strategy, and structure in order how to deal with these organization shapers. Galbraith introduces his copyrighted Star Model (Strategy, structure, people, rewards, and processes), which looks AND sounds very similar to McKinsey's 7-S framework. Chapters 4 and 5 build on these chapter and discuss how organizations have to link their processes to coordination needs and integrate group processes. Then, in Chapter 6 discusses the easily changeable or reconfigurable organization based on the Star Model, which, according to Galbraith, results from the skilled use of three capabilities: (1) forming teams and networks across organizational departments; (2) the use of internal prices, markets, and marketlike devices to coordinate the complexity of multiple teams; and (3) the forming of partnerships to secure capabilities that it does not have. Each of these capabilities are discussed in detail. The Chapters 7 to 10 are all very current and fashionable. They discuss the organizing around the customer, customer-focused

structures, the design of the virtual corporation, and organizing the continuous design process. Although the subjects discussed are important, some of the examples are too long and take up most of the chapters. Some of the examples also do not really apply to every company/organization but are too specific. Still, these are issues that should not be forgotten about, especially organizing around the customer remains important. I must admit that I am somewhat disappointed with this book, which is written by a leading authority in the field of organizational design. I believe it is especially the title that lets the book down. It is not so

much a guide into strategies and structures; it more discusses the organization shapers and the possibilities that companies/organizations have to tackle the organization shapers. I believe that the book is especially weak in discussing organizational design and structures. Galbraith discusses his own Star-model (which reminds me of McKinsey's 7-S framework) and his reconfigurable organization (the learning organization?), but leaves all other models/designs/structures untouched. I have not been generous, the book really deserves a 3.5-star rating. The author uses simple business US-English.
