[The Things They Carried](#) Vintage

The International Bestseller A New York Times Editors' Choice Selection A Winner of the 2020 Lannan Literary Awards Fellowship "[An] absorbing, stirring novel . . . that, in more than one sense, remedies history." —The New York Times Book Review "A triumph, a novelistic rendition of one of the most difficult times in Vietnamese history . . . Vast in scope and intimate in its telling . . . Moving and riveting." —VIET THANH NGUYEN, author of *The Sympathizer*, winner of the Pulitzer Prize With the epic sweep of Min Jin Lee's *Pachinko* or Yaa Gyasi's *Homegoing* and the lyrical beauty of Vaddey Ratner's *In the Shadow of the Banyan*, *The Mountains Sing* tells an enveloping, multigenerational tale of the Trần family, set against the backdrop of the Việt Nam War. Trần Diệu Lan, who was born in 1920, was forced to flee her family farm with her six children during the Land Reform as the Communist government rose in the North. Years later in Hà Nội, her young granddaughter, Hương, comes of age as her parents and uncles head off down the Hồ Chí Minh Trail to fight in a conflict that tore apart not just her beloved country, but also her family. Vivid, gripping, and steeped in the language and traditions of Việt Nam, *The Mountains Sing* brings to life the human costs of this conflict from the point of view of the Vietnamese people themselves, while showing us the true power of kindness and hope. *The Mountains Sing* is celebrated Vietnamese

poet Nguyễn Phan Quế Mai's first novel in English.

**The Domsday Machine** Villard

Dirty Little Secrets of the Vietnam War allows us to see what really happened to American forces in Southeast Asia, separating popular myth from explosive reality in a clear, concise manner. Containing more than two hundred examinations of different aspects of the war, the book questions why the American military ignored the lessons taught by previous encounters with insurgency forces; probes the use of group think and mind control by the North Vietnamese; and explores the role technology played in shaping the way the war was fought. Of course, the book also reveals the "dirty little secrets," the truth behind such aspects of the conflict as the rise of the Montagnard mercenaries--the most feared group of soldiers participating in the secret war in Laos--and the details of the hidden struggle for the Ho Chi Minh Trail. With its unique and perceptive examination of the conflict, Dirty Little Secrets of the Vietnam War by James F. Dunnigan & Albert A. Nofi offers a critical addition to the library of Vietnam War history.

**My Vietnam War** Macmillan

One of the most acclaimed books of our time—the definitive Vietnam War exposé and the winner of the Pulitzer Prize and the National Book Award. When he came to Vietnam in 1962, Lieutenant Colonel John Paul Vann was the one clear-sighted participant in an enterprise riddled with arrogance and self-deception, a charismatic soldier who put his life and career on the line in an attempt to convince his superiors that the war should be fought another way. By the time he died in 1972, Vann had embraced the follies he once decried. He

died believing that the war had been won. In this magisterial book, a monument of history and biography that was awarded the National Book Award and the Pulitzer Prize for Nonfiction, a renowned journalist tells the story of John Vann—"the one irreplaceable American in Vietnam"—and of the tragedy that destroyed a country and squandered so much of America's young manhood and resources.

*In Retrospect* H.O.T. Press Publishing

An intimate memoir by the controversial and outspoken Oscar-winning director and screenwriter about his complicated New York childhood, volunteering for combat, and his struggles and triumphs making such films as Platoon, Midnight Express, and Scarface. Before the international success of Platoon in 1986, Oliver Stone had been wounded as an infantryman in Vietnam, and spent years writing unproduced scripts while driving taxis in New York, finally venturing westward to Los Angeles and a new life. Stone, now 73, recounts those formative years with in-the-moment details of the high and low moments: We see meetings with Al Pacino over Stone's scripts for Scarface, Platoon, and Born on the Fourth of July; the harrowing demon of cocaine addiction following the failure of his first feature, The Hand (starring Michael Caine); his risky on-the-ground research of Miami drug cartels for Scarface; his stormy relationship with The Deer Hunter director Michael Cimino; the breathless hustles to finance the acclaimed and divisive Salvador; and tensions behind the scenes of his first Academy Award-winning film, Midnight Express. Chasing the Light is a true insider's look at Hollywood's years of upheaval in the 1970s and '80s.

*A Rift in the Earth* Macmillan

How American soldiers opposed and resisted the war in Vietnam While mainstream narratives of the Vietnam War all but marginalize anti-war activity of soldiers, opposition and resistance from within the three branches of the military made a real difference to the course of America's engagement in Vietnam. By 1968, every major peace march in the United States was led by active duty GIs and Vietnam War veterans. By 1970, thousands of active duty soldiers and marines were marching in protest in US cities. Hundreds of soldiers and marines in Vietnam were refusing to fight; tens of thousands were deserting to Canada, France and Sweden. Eventually the US Armed Forces were no longer able to sustain large-scale offensive operations and ceased to be effective. Yet this history is largely unknown and has been glossed over in much of the written and visual remembrances produced in recent years. *Waging Peace in Vietnam* shows how the GI movement unfolded, from the numerous anti-war coffee houses springing up outside military bases, to the hundreds of GI newspapers giving an independent voice to active soldiers, to the stockade revolts and the strikes and near-mutinies on naval vessels and in the air force. The book presents first-hand accounts, oral histories, and a wealth of underground newspapers, posters, flyers, and photographs documenting the actions of GIs and veterans who took part in the resistance. In addition, the book features fourteen original essays by leading scholars and activists. Notable contributors include Vietnam War scholar and author, Christian Appy, and Mme Nguyen Thi Binh, who played a major role in the Paris Peace Accord. The book originates from the exhibition *Waging Peace*, which

has been shown in Vietnam and the University of Notre Dame, and will be touring the eastern United States in conjunction with book launches in Boston, Amherst, and New York.

*American Warrior* Penguin

"One of the most important books of Vietnamese American and Vietnam War literature...Moving, powerful." —Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer* In these pages, Le Ly Hayslip—just twelve years old when U.S. helicopters landed in her tiny village of Ky La—shows us the Vietnam War as she lived it. Initially pressed into service by the Vietcong, Le Ly was captured and imprisoned by government forces. She found sanctuary at last with an American contractor and ultimately fled to the United States. Almost twenty years after her escape, Le Ly found herself inexorably drawn back to the devastated country and loved ones she'd left behind, and returned to Vietnam in 1986. Scenes of this joyous reunion are interwoven with the brutal war years, creating an extraordinary portrait of the nation, then and now—and of one courageous woman who held fast to her faith in humanity. First published in 1989, *When Heaven and Earth Changed Places* was hailed as an instant classic. Now, some two decades later, this indispensable memoir continues to be one of our most important accounts of a conflict we must never forget.

## **THE ADVANTAGES OF DOWNLOADING SECRETS A MEMOIR OF VIETNAM AND THE PENTAGON PAPERS**

Are you tired of carrying around heavy books or waiting for distributions? Think

about downloading and install Secrets A Memoir Of Vietnam And The Pentagon Papers instead. When you download and install books, you gain access to a substantial library of literature within your reaches.

### E-BOOK STORES

Popular e-book stores such as Amazon Kindle, Barnes & Noble, and Google Play Books offer substantial collections of books for purchase. You can conveniently download and install Secrets A Memoir Of Vietnam And The Pentagon Papers to your gadget with just a couple of clicks and gain access to them anytime, anywhere.

*Inside the Pentagon Papers* Citadel Press  
As American troops continue their

steady exodus on the last day of their ground war in Vietnam, Lieutenant Joe Tallon is shot down by an enemy missile. Forced to eject at a dangerously low altitude from their OV-1 Mohawk, Joe and his tactical observer, Specialist-5 Daniel Richards, land in the flaming wreckage. Lieutenant Tallon survives but Specialist Richards does not. Stateside, Lieutenant Tallon begins to heal and proceed with his life-but the loss of his tactical observer is never far from his mind. Forty years later, Joe embarks on a quest to bring recognition to the sacrifice of Daniel Richards and secure a Purple Heart for his family. Painstakingly recreated from wartime letters and remembrances and contextualized by contemporary news accounts, *100 Days in Vietnam* is a collaboration between Joe and his son Matt-also an Army veteran. Here we experience the war through the emotions of the man who survived it: the drudgery and monotony of airfield life, the heartache of a newlywed missing his wife, the terror of combat missions, the agony of injury and rehabilitation, and the bittersweet relief from the completion of his final mission to bring recognition to his fallen comrade.

Simon and Schuster

Jerry Rose, a young journalist and photographer in Vietnam, exposed the secret beginnings of America's Vietnam War in the early 1960s. Putting his life in danger, he interviewed Vietnamese villagers in a countryside riddled by a war of terror and intimidation and embedded himself with soldiers on the ground, experiences that he distilled into the first major article to be written about American troops fighting in Vietnam. His writing was acclaimed as "war reporting that ranks with the best of Ernest

Hemingway and Ernie Pyle,” and in the years to follow, Time, The New York Times, The Reporter, New Republic, and The Saturday Evening Post regularly published his stories and photographs. In spring 1965, Jerry’s friend and former doctor, Phan Huy Quat, became the new Prime Minister of Vietnam, and he invited Jerry to become an advisor to his government. Jerry agreed, hoping to use his deep knowledge of the country to help Vietnam. In September 1965, while on a trip to investigate corruption in the provinces of Vietnam, he died in a plane crash in Vietnam, leaving behind a treasure trove of journals, letters, stories, and a partially completed novel. The Journalist is the result of his sister, Lucy Rose Fischer, taking those writings and crafting a memoir in “collaboration” with her late brother—giving the term “ghostwritten” a whole new meaning.

#### For Two Cows I Ain't Half-Bad Penguin

Brigadier General John C. [Doc] Bahnsen Jr served as one of America's most decorated soldiers in the Vietnam War. The ultimate warrior who engaged the enemy from nearly every type of aircraft and armored vehicle in the army's inventory, Doc was also an expert strategist who developed military tactics later adopted as doctrine. Accounts of Doc's brilliance in time of war became the stuff of legend. Here he offers a spellbinding recollection - completely uncensored - of his remarkable wartime experience.

#### **The Phantom Vietnam War** Ati Books

The true story of the leaking of the Pentagon Papers, the event which inspired Steven Spielberg's feature film The Post In 1971 former Cold War hard-liner Daniel Ellsberg made history by releasing the Pentagon Papers - a 7,000-page top-secret study of U.S. decision-

making in Vietnam - to the New York Times and Washington Post. The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War. In this remarkable memoir, Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U.S. State Department observer, and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy. The story of one man's exploration of conscience, Secrets is also a portrait of America at a perilous crossroad. "[Ellsberg's] well-told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought." -The Washington Post "Ellsberg's deft critique of secrecy in government is an invaluable contribution to understanding one of our nation's darkest hours." -Theodore Roszak, San Francisco Chronicle

#### *When Heaven and Earth Changed Places* Macmillan

A Vietnam War veteran and a Vietnam War-era civilian revisit their history and follow a journey toward understanding of each other and of the war and country that shaped their lives.

*Back from War* Pajama Press Inc.

Over two hundred seventy-five Vietnamese recipes are presented alongside a visual narrative of food and Nguyen family photographs that follows the family's escape from war-town Vietnam to the founding of the Red Lantern restaurant.

The Pentagon Papers: as Published by the New York Times Andrews McMeel Publishing

A rather brutal story of a young girl growing up and surviving war in the Vietnamese Mekong Delta against overwhelming odds. Working for the Americans resulted in a VC death sentence and after we Americans left her survival became exceptionally difficult.

*Home to War* HMH Books For Young Readers

By 1969, following the French defeat at Dien Bien Phu, over 500,000 US troops were 'in country' in Vietnam. Before America's longest war had ended with the fall of Saigon in 1975, 450,000 Vietnamese had died, along with 36,000 Americans. The Vietnam War was the first rock 'n' roll war, the first helicopter war with its doctrine of 'airmobility', and the first television war; it made napalm and the defoliant Agent Orange infamous, and gave us the New Journalism of Michael Herr and others. It also saw the establishment of the Navy

SEALs and Delta Force. At home, America fractured, with the peace movement protesting against the war; at Kent State University, Ohio National Guardsmen fired on unarmed students, killing four and injuring nine. Lewis's compelling selection of the best writing to come out of a war covered by some truly outstanding writers, both journalists and combatants, includes an eyewitness account of the first major battle between the US Army and the People's Army of Vietnam at Ia Drang; a selection of letters home; Nicholas Tomalin's famous 'The General Goes Zapping Charlie Cong'; Robert Mason's 'R&R', Studs Terkel's account of the police breaking up an anti-war protest; John Kifner on the shootings at Kent State; Ron Kovic's 'Born on the Fourth of July'; John T. Wheeler's 'Khe Sanh: Live in the V Ring'; Pulitzer Prize-winner Seymour Hersh on the massacre at My Lai; Michael Herr's 'It Made You Feel Omni'; Viet Cong Truong Nhu Tang's memoir; naval nurse Maureen Walsh's memoir, 'Burning Flesh'; John Pilger on the fall of Saigon; and Tim O'Brien's 'If I Die in a Combat Zone'.

**A Rumor of War** HarperCollins

Shortlisted for the Andrew Carnegie Medal for Excellence in Nonfiction Finalist for The California Book Award in Nonfiction The San Francisco Chronicle's Best of the Year List Foreign Affairs Best Books of the Year In These Times "Best Books of the Year" Huffington Post's Ten Excellent December Books List LitHub's "Five Books Making News This Week" From the legendary whistle-blower who revealed the Pentagon Papers, an eyewitness exposé of the dangers of America's Top Secret, seventy-year-long nuclear policy that continues to this day. Here, for the first time, former high-level

defense analyst Daniel Ellsberg reveals his shocking firsthand account of America's nuclear program in the 1960s. From the remotest air bases in the Pacific Command, where he discovered that the authority to initiate use of nuclear weapons was widely delegated, to the secret plans for general nuclear war under Eisenhower, which, if executed, would cause the near-extinction of humanity, Ellsberg shows that the legacy of this most dangerous arms buildup in the history of civilization--and its proposed renewal under the Trump administration--threatens our very survival. No other insider with high-level access has written so candidly of the nuclear strategy of the late Eisenhower and early Kennedy years, and nothing has fundamentally changed since that era. Framed as a memoir--a chronicle of madness in which Ellsberg acknowledges participating--this gripping exposé reads like a thriller and offers feasible steps we can take to dismantle the existing "doomsday machine" and avoid nuclear catastrophe, returning Ellsberg to his role as whistleblower. The Doomsday Machine is thus a real-life Dr. Strangelove story and an ultimately hopeful--and powerfully important--book about not just our country, but the future of the world.

**A Hundred Suns** Hachette UK

Details the struggles of those who served in Vietnam to deal with the negative reaction at home, their role in the anti-war movement, and their battle for medical help and compensation for Agent Orange and post-traumatic stress.

## REVIEW OF SECRETS A MEMOIR OF VIETNAM AND THE PENTAGON PAPERS

- No climax, no definite plot, no villain. This book breaks the definition of a literary classic and goes off on so many tangents that the reader becomes confused as to what the entire book is actually about, not to mention Francie is a one dimensional character who shows little growth until the end of the book where she suddenly changes into an entirely different creature. The novel would have been better if it was solely about Katie!

- I read this book when I was 12 years old, and it changed my life. I realized that I was not alone in the world when I read about Francie who loved her alcoholic father and had to cope with her mother, who had been so hurt by her father's alcoholism that she was unable to be the mother Francie needed, hard

as she tried. Instead, her mother had to figure out how to keep her family together, always a tough job for the non-alcoholic parent. I admired Francie so much, and she inspired me to be strong, courageous, kind, creative, and loving. I am 62 years old now, 50 years after

reading *A Tree Grows in Brooklyn* for the first time, which I re-read every couple of years, and I still remember the thrill I felt as I learned that there were other girls who faced the same challenges that I had to face when I was 12. Oh, and I was born in Brooklyn too! St. James Place
