Religion and Conflict in Medieval and Early Modern Worlds Wipf and Stock Publishers

This volume seeks to increase understanding of the origins, ideology, implementation, impact, and historiography of religion and conflict in the medieval and early modern periods. The chapters examine ideas about religion and conflict in the context of text and identity, church and state, civic environments, marriage, the parish, heresy, gender, dialogues, war and finance, and Holy War. The volume covers a wide chronological period, and the contributors investigate relationships between religion and conflict from the seventh to eighteenth centuries ranging from Byzantium to post-conquest Mexico. Religious expressions of conflict at a localised level are explored, including the use of language in legal and clerical contexts to influence social behaviours and the use of religion to legitimise the spiritual value of violence, rationalising the enforcement of social rules. The collection also examines spatial expressions of religious conflict both within urban environments and through travel and pilgrimage. With both written and visual sources being explored, this volume is the ideal resource for upper-level undergraduates, postgraduates, and researchers of religion and military, political, social, legal, cultural, or intellectual conflict in medieval and early modern worlds.

SATAN AND HIS DEMONS THOUGHT THEY COULD DEFEAT GOD. WHEN THEY REBELLED AGAINST GOD, THEY NEVER KNEW THAT THEY WOULD END UP BEING BURNED ALIVE FOR 40 BILLION YEARS, THEN BURNED ALIVE IN THE LAKE OF FIRE FOREVER. SERVES THEM RIGHT FOR REFUSING GODS LOVE. JESUS CHRIST IS REALLY ALMIGHTY GOD, MIGHTY IN BATTLE. THE WRATH OF THE LAMB IS Poured OUT ON SATAN, HIS ANGELS AND 2.3 BILLION PEOPLE +/- OR 1/3 OF THE EARTH'S POPULATION. DURING THE SECOND COMING EVENT SATAN AND HIS DEMONS AND ANTICHRIST WILL BE THROWN INTO THE BOTTOMLESS PIT FOR BILLIONS OF YEARS, THEN THEY WILL BE TAKEN OUT FOR WWII WHERE THE ANTICHRIST ANGEL WILL POSSES A DEADMAN'S BODY AND COME TO LIFE LIKE JESUS TO BE WORSHIPPED. "MATHEW CHPT 24 IS A CONDITIONAL CHPT. IT DEPENDED ON THE "CARCASE" TO HAPPEN. THE CARCASE OF MT. 24:28 AND JESUS DECIDED THAT WWII SHOULD OCCUR AFTER THE SECOND COMING, AFTER THE 1000 YR REIGN OF JESUS OR 40 BILLION

YEARS FROM NOW. BUT JESUS THE KING OF PEACE WILL RETURN IN PEACE AT THE SECOND COMING, IN MY LIFETIME. MATHEW 24:21 WAR IS BROKEN BY MATHEW 24:28. READ MY OTHER BOOKS. Matthew 24:28:"For wheresoever the Carcase is, there will the eagles be gathered together" The Eagles are Jesus and satan. They hover over a Carcase- a born again Christian who has died or crucified his flesh in the cross of Jesus (Gospel of Paul in Romans). Every born again Christian is a Carcase, but this special individual was to welcome Christ. And the happenings of Mt 24 depended on his decisions and Christs decisions.(1.) Jesus deleted the war of the Second Coming and the Carcase agreed. Thats why there is no war before the Second Coming- it will be in 40 billion years. Second reason why WWII is not now is. (2.)The sand of the sea in Revelation chpt 13:1 is time. Each grain is a year. How many grains on the seashore? Billions- so WWII is billions of years away-(3.) Third reason.The universe will begin to implode in 40 billion yrs. The core of the imploding universe is called The Lake of fire.(II PETER 3:7) The Lake of fire existed during that time for the false prophet to be thrown in it. They co-existed. The only time WWII can happen is when the Lake of fire existed. That can only happen in Blueshift- when this finite universe of ours is collapsing,around 40 billion A.D. . False prophet and Lake of fire- co-existed. So WWII is 40 billion +/- years from now becuase it was fought when the Lake of fire existed and the false prophet existed. They co-existed. So there will be no war in our times. Thats why Jesus inserted Mt 24:28. but some Bibles say vultures and other strange stuff. Dont tamper with the Bible. THE REASON FOR ALL THE WILD WEATHER IN 2000+/-A.D IS BECAUSE JESUS CHRIST IS RETURNING SOON

FOR THE SECOND COMING IS IN OUR GENERATION! ISAIAH 29: 6. Thou shalt be visited of the Lord of hosts with thunder, and with earthquake, and great noise, with storm and tempest, and the flame of devouring fire.

Armies know all about killing. It is what they do, and ours does it more effectively than most. We are painfully coming to realize, however, that we are also especially good at killing our own "from the inside out," silently, invisibly. In every major war since Korea, more of our veterans have taken their lives than have lost them in combat. The latest research, rooted in veteran testimony, reveals that the most severe and intractable PTSD--fraught with shame, despair, and suicide--stems from "moral injury." But how can there be rampant moral injury in what our military, our government, our churches, and most everyone else call just wars? At the root of our incomprehension lies just war theory--developed, expanded, and updated across the centuries to accommodate the evolution of warfare, its weaponry, its scale, and its victims. Any serious critique of war, as well any true attempt to understand the profound, invisible wounds it inflicts, will be undermined from the outset by the unthinking and all-but-universal acceptance of just war doctrine. Killing from the Inside Out radically questions that theory, examines its legacy, and challenges us to look beyond it, beyond just war.

"Deliver us from (the) evil (one)" is the heart's cry from the Lord's Prayer. Evil wears many faces in our modern world. This book connects the Lord's Prayer to troubles of our times, be it attacks from Satan, the wars around the world, the scourge of racism, or the mass shootings of our time. The subtitle of the book identifies

the scope. This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government. While the book aims to be a biblical theology on these topics, it seeks also to address the praxis: how these evils are confronted through healing-deliverance ministries and what people of God say and do in witness to the powers. The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan, sin, evil, and death. "Love your enemy" confronts evil with power to transform!

In this composition, the origin of more than forty essential Christian beliefs are explained in order to provide answers for all Christians to such questions as "Where did God come from?" No longer will any Christian who has read this book need to avoid questions like "Who made sin?" "Is the devil real?" "Are heaven and hell real?" "Did Jesus really live?" and "Should a Christian tithe?" The author's will is to help the Christian to know, to better understand, to teach, and to defend Christian beliefs. Beginning in the Old Testament book of Genesis, some essential Christian beliefs are presented on subjects, such as the family, anti-God sex, drug abuse, grace, sin, and marriage. From the New Testament, the writer presents the issues and Christian beliefs on Jesus Christ, disciples, origin of the church, origin of the Pope, Catholic, Protestant, and Baptist. In the Christian beliefs of the Baptist, the teaching of Jesus Christ as the norm, the founder, savior, and spiritual head are exalted. With supporting evidence from Jesus's own words, the last part of the book presents Jesus's

teaching on hell, heaven, the steps of salvation, and tithing.

Today, we live in a world where we are less exposed to violence than at any other time in history. However, we also know that violence can come knocking on our door at any moment. Preparing for this possibility means more than physical safety; it means being clear with ourselves about the ethics of violence. Can violence be justified? When should we fight? How should we fight? And in situations when things have gone badly, may we kill? These questions are not only for politicians, soldiers, and police officers, but are also important considerations for civilians whose lives do not normally intersect with violence. Whether advocating for government policies, marching in the streets, or defending ourselves and loved ones, a coherent moral framework is essential to good decision-making. *May I Kill?* examines the efficacy of different approaches to non-violence and Just War Theory. By scrutinizing these ethical theories, the reader is encouraged to critically examine occasions for the use of force from a moral perspective, whether nations at war or violent encounters in our own neighborhoods. We may then determine how best to develop ourselves--body, mind, and spirit--to respond effectively and make the world a safer place.

Once the smoke of the battlefield blows away, what are the moral requirements of the "victor"? While most studies of just war focus on the rationale for going to war and the conduct of the war, this important book examines the period after the conflict. What must be done to restore justice? In the words of the authors, "'Victory' is declared by presidents and other leaders, yet all too often no just peace is to be found in the wake of today's conflicts....After the smoke clears, the powers that be may declare 'mission

Swanson builds a case that the time has come to set behind us the idea that a war can ever be just. This critique of "Just War" theory finds the criteria such theories use to be either unmeasurable, unachievable, or amoral, and the perspective taken too narrow. This book argues that belief in the possibility of a just war does tremendous damage by facilitating enormous investment in war preparations—which strips resources from human and environmental needs while creating momentum for numerous unjust wars.

Moral Injury is now recognized as a growing major problem for military men and women. Operant conditioning can overwhelm moral convictions and yet the question of whether "to shoot or not to shoot" often will never have a settled answer. Certain theories and treatment models about MI have been well developed, but too often overlook root issues of religious faith. The authors propose a new model for understanding moral injury and suggest ways to mitigate its virtually inevitable occurrence in pre-combat training, and ways to resolve MI post-trauma with proven spiritual resources. People outside the military, too, among whom the incidence of MI also is a growing threat, will benefit from this analysis. The stories of the injured--their shaping and their telling--are the key, and there are many illumining stories of moral injury and recovery. Those who suffer MI, their families, and caregivers, including counselors, pastors, and faith communities, will find hope-giving first steps toward the healing of MI in this book.

What if someone told you that you were the reincarnation of Jesus, and that it was your destiny to save the world from political and economic destruction? Jack Cohen had his whole future before him. Just nineteen years old, he was a gifted athlete, a genius scholar, and a mixed martial arts prodigy, capable of leaving his mark in any number of ways. But his world turns suddenly upside down when a mesmerizing *domme*, Mary McDonald, enters his life and insists that he is Jesus 2.0 -- and that it is his mission to wage spiritual and political warfare on the establishment of Washington, D.C. Beautiful, clever, yet dangerous, Mary also tells Jack that she was chosen from above to lead him to his mission. Though he tries to resist, Jack finds himself thrust into a journey of sexual, spiritual and political awakening that will forever alter his life... and change the course of the world. A blend of *Atlas Shrugged*, *Fifty Shades of Gray* and *The Shack*, mixed together with a megadose of PEDs, *Kill Jesus* is a wild, page-turning ride that will open your mind to a new way of thinking, while shattering any notions of a pacifist or puritanical Messiah.

Pastor Brian Zahnd began "to question the theology of a wrathful God who delights in punishing sinners, and has started to explore the real nature of Jesus and His Father. The book isn't only an interesting look at the context of some modern theological ideas; it's also offers some profound insight into God's love and eternal plan." —*Relevant Magazine* (Named one of the Top 10 Books of 2017) *God is wrath? Or God is Love?* In his famous sermon "Sinners in the Hands of an Angry God," Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry, violent, and retributive. Three centuries later, Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God. Haunted by fear that crippled his relationship with God, Zahnd spent years praying for a divine experience of hell. What Zahnd experienced instead was the Father's love—revealed perfectly through Jesus Christ—for all prodigal sons and daughters. In *Sinners in the Hands of a Loving God*, Zahnd asks important questions like: Is seeing God primarily as wrathful towards sinners true or biblical? Is fearing God a normal expected behavior? And where might the natural implications of this theological framework lead us? Thoughtfully

wrestling with subjects like Old Testament genocide, the crucifixion of Jesus, eternal punishment in hell, and the final judgment in Revelation, Zandh maintains that the summit of divine revelation for sinners is not God is wrath, but God is love.

The Power & Limits of Jesus' Moral Teachings Wipf and Stock Publishers

War wounds the soul. It is not only the violence that warfighters suffer against them that harms, but also the violence that they do. These soul wounds have come to be known as moral injuries: psychic traumas that occur from having done or condoned that which goes against deeply held moral principles. It is not surprising that the committing of atrocities or the accidental killing of the innocent would hurt the soul of warfighters. The problem is that many warfighters at least tacitly follow the commonplace belief that killing another human being is always wrong--it's just that sometimes, as in war, it is necessary. This paradoxical commitment makes the very business of warfighting morally injurious. This problem is also a crisis. Clinical research among combat veterans has established a link between killing in combat and moral injury and between moral injury and suicide. Our warfighters, even those who have served honorably and with the right intentions, are dying by their own hands at devastating rates--casualties not of the physical threats of war, but of the moral ones. It does not have to be this way. The just war tradition, a moral framework for thinking about war that flows out of our Greco-Roman and Hebraic intellectual traditions, is grounded in the basic truth that killing comes in different kinds. While some kinds of killing, like murder, are always wrong, there

are other kinds of killing that are morally neutral, such as unavoidable accidents, and still other kinds that are morally permitted--even, sometimes, obligatory. The Good Kill embraces this tradition to argue for the morality of killing in justified wars. Marc LiVecche does not deny the morally bruising realities of combat, but offers potential remedies to help our warfighters manage the bruising without becoming irreparably morally injured.

REVIEW OF WHO WOULD JESUS KILL WAR PEACE AND THE CHRISTIAN TRADITION

- This is the second book to come out of industrial light and magic, the amazing special effects company that brought us such movies as Star Wars. In this volume ILM chronicles its second decade (1986-96) detailing the special effects in an easy to understand way, unfortunately it does not go nearly as in-depth as its predecessor ; only giving us a rough out-line as to how the effects are created. It is still one of the best on the market and should be of interest of any movie fan. More serious effects buffs should check out the first book by past ILM president Thomas G. Smith.-CA

- One of the most difficult problems faced by authors writing books based on television shows is being able to truly capture the essence of that show and its characters. Although the story may be wonderfully written, there are many times when I read these type of books where I really don't feel like these are the same characters I have come to know and love on the TV show. Kathryn Drennan has the wonderfully rare gift of being truly able to capture the essences of both the show itself and the characters therein. "To Dream in the City of Sorrows" focuses on what happened to Commander Sinclair after he was assigned to Minbar, as well as his engagement to Catherine Sakai. It also shows us how Marcus Cole came to join the Rangers. This book is excellently written and you can truly believe you are reading about these same characters. The story answered many questions but also asked just enough to make you want more! I would love to see Ms. Drennan write a follow-up book involving Babylon 4 and Sinclair's transformation to Valen.
