Dark Matter by Michelle Paver, Paperback | Barnes & Noble® 'This haunting new novel and long-awaited sequel to the chilling Dark Matter by Michelle Paver certainly doesn't disappoint. The plot of Thin Air is undeniably gripping and a genuine page-turner. If you enjoyed Dark Matter, you'll love Thin Air. Step in with enthusiasm and excitement, yet the greatest of caution...' Michelle Paver - Redhammer Dark Matter is terrific.... (a) wild beast that grabs you by the neck (THE TIMES) It's a point appreciated by Michelle Paver, whose haunting new novella so cleverly illustrates how it is fear, rather than death, which is the great leveller (THE LADY) Dark Matter: the gripping ghost story from the author of ... "Paver is one of Britain's modern greats. This sinister, gothic chiller shows why." – The Big Issue "Months after reading it, I remain obsessed with Michelle Paver's Wakenhyrst... Spooky, twisted and unforgettable" – The Observer, Best Thrillers of the Year "Irresistible storytelling... her finest novel yet" – The Times michellepaver.com - Something Evil Has Awakened First published in October 2010, Malawi born author Michelle Paver's novel 'Dark Matter' was the product of much first-hand research into Spitsbergen and the desolate winter landscape of the Svalbard archipelago in Norway. DLS Reviews - Dark Matter (2010) Dark Matter by Michelle Paver As a first experience with audiobooks, listening to Dark Matter narrated by Jeremy Northam is an eye opening experience. The story, quite simple really, is riveting. A touch of irony here and there makes it all the better. Dark Matter (Audiobook) by Michelle Paver | Audible.com Michelle Paver really does bring a strong sense of place to Dark Matter. Set in the Arctic, she would be forgiven for failing to realistically describe its environment, however this is the strongest aspect of the novel.

REVIEW OF DARK MATTER MICHELLE PAVER

- I'm not a huge fan of Roth at all, and when discussing him, I always seem to forget that he wrote these stories. It really does seem like the work of a different author; a brighter, more clever and inventive one; namely, younger. Maybe the mold of cynicism just set around him at a certain point as he aged, in which case *Goodbye, Columbus* stands as his first and last good work. First of all, the writing is first-rate modern American, a light but not overly breezy style, something like Bellow. Especially in the title story, the subtle humor is very effective, and he has a Salingerian gift for making the last sentence of a paragraph resonate. The themes, also, that continue throughout the stories are well-developed and intriguing; in 'Defender of the Faith,' he shows how a very convincing sociopath takes advantage of his Jewish identity and uses it as a weapon; in a story the title of which I can't remember, a young boy rebels against the oppressive Jewish instruction of his elders; then, later, in 'Eli the Fanatic,' Roth shows a man discovering solace in the stark rituals of traditional Judaism. The issue is examined from many angles. 'Epstein' is more suggestive of his later work and somewhat distasteful, very bleak, but a convincing portrait of an aging and frustrated Jewish man. 'You can't tell a man by the song he sings' is lighter and has little relation to the theme of Judaism, in case you were beginning to think Roth couldn't write about anything else. The title story is easily the best; the rest are just accessories. While the romance which it depicts never really seems justified (what does she see in him to begin with?), the writing is superlative and the characters interesting, and the semitragic conclusion more moving than it really should be. In this story, Roth displays a delicacy which is foremost among the things he inexplicably loses later on; he seems to like these characters, even the spoiled and decadent family, and stops to linger on minor details with a real zest for description. Reading these stories made me think I had judged Roth too quickly after reading only two of his books; I read another, and was disappointed again. Stick to this one.

- Grimsley does an amazing job with this book. The characters are well developed and take you on an amazing journey. This book did remind me of the *Last Herald-Mage Trilogy* which it is bound to be compared to. Jessex is an adolescent on the verge of manhood when the winds of destiny catch him up into a struggle that has been blowing across the land. It is a journey of discovery and love that fuels the progress of this story. Unlike similar books in the genre, the magic system is well developed and we are allowed to glimpse the training that Jessex undergoes as he advances from level to level. This is a must read.
