REVIEW OF MIDNIGHT SUN CHAPTERS 1 12

- My god this book was terrifying. It's The Shining meets The Stand. That Mr. Gray character freaked me out. I only have one regret about this book though although I don't want to give it away for those of you who want to read the book.
- Stephen King's new novel is amazing. if you haven't read it, you should. This novel is going back almost to the way that his older novels were written. This novel is less of an emotion games novel as his other recent novels have been (although they were good, this true horror format is better). This novel has places where you will be frightened out of your mind, and parts where you will not be able to control your laughter, even some of the both occur at once. I guarrentee any true Stephen King fan will enjoy this novel.
