REVIEW OF SANDTRAY THERAPY EXERCISES

- 200-300 words I really liked this book because of Hester. She was a protagonist who refused to obey by society's rules. She is a role model for women who wish to be free. Sure, she made a mistake. But, don't we all? Adultery is not right, but we learn from mistakes. I really liked to read about the time period because it was so different from our own. It is hard to believe that Hawthorne was only a writer for his time period.

- I just had to read this book for a class (making the third time I've read it). There are not many books I re-read (too many others to get to), but this is one I could read over and over again (and have!). Every word counts, every scene is moving, every theme important and involving. Okay, so it's a little too obviously symbolic here and there, but what the hay! Hawthorne was one of the first truly American writers and had important things to say, plus he found the perfect story to clothe his beliefs and concerns in. Read it! And then, if you like it, go for "House of Seven Gables" and "The Marble Faun."
