REVIEW OF OXFORD SKILLWORKS 2 ANSWERS

- I liked this book a lot. It converted ancient history into what people love to read these more modern days. I'm a 7th grade student in Indiana. I read all the time, but this is one of the best books i've ever read.it's really hard to believe this used to be ancient folklore. I recommend this book to all people who like a good book.
- Even if D. Foster wasn't my sister, I'd still write the same things about the book. Once I started reading it, I couldn't put it down! Thorgunna and Leif found true love in each other and I felt like I was right there with them sharing in their adventures. I would like to see a second book come out telling about their life together.
