REVIEW OF ANSWERS TO END OF CHAPTER STUDY QUESTIONS FOR GARRISONS OCEANOGRAPH

Y AN INVITATION TO MARINE SCIENCE

- I enjoyed this book and it was well written. It's a nice reflection of spirit of the time and it's well constructed. I've noticed that people either love or hate this book, but I'm wondering how much of the reaction of those who hate it is due to false expectations based on the movie Stone Reader. I think this book will appeal to those who enjoy literary writers similar to James Joyce and love reading well fashioned prose.

However, if you're searching for a book that will change the way you think about the world or this piece of American history, you may be disappointed. The book is excellent for what it is: beautiful prose about a writer's experience growing up in a culturally empty place in a particular time.

- This was a treasured book I had years ago. It somehow got lost along the way. I was so pleased to find it on Amazon and add it back to my collection. The condition was as promised and the delivery was fast. Thank you!
