### **REVIEW OF LORCO PUZZONE**

- this book is great!! i love this book and have become addicted to it. im obsesed (sorry i dont no how to spell it) anyway. that is all i go on about, it really bugs my friends. i admit, this book can get abit borin coz it does describe it alot but its still great. i bet anyone with a heart who reads this book will cry at least once

- Extremely well-written, good plot, characters and Mrs. Auel has done some research. Now here's the bad part. It is anthropologically inaccurate. Mrs. Auel does a beautifully stereotyped depiction of the Neanderthals as stooped, muzzle-jawed, intellectually inferior creatures as compared to wonderful Cro-Magnon people with their tall erect graceful carriage, blue eyes and blond hair. I mentioned this book to my anthropology professor and he said, very succinctly, "Burn it!"
