REVIEW OF FLASH DRIVE BUYING GUIDE

- E.R. Chamberlin is also the author of books such as Fall of the House of Borgia., Life in Medieval France, Everyday Life in Renaissance Times, etc. He wrote in this 1969 book about John XII, "John seems to have been urged toward a course of deliberate sacrilege that went far beyond the causal enjoyment of sensual pleasures. It was as though the dark element in his nature goaded him on to test the utmost extents of his power, a Christian Caligula whose crimes were rendered particularly horrific by the office he held." (Pg. 43) He notes, Gregory VII "literally brought the emperor to his knees... By the end of the twelfth century, the emperor had become a shadow and the pope stepped forward to claim dominion over all the world." (Pg. 74) Boniface VIII "had a gift for pungent, pithy speech... Sexual immorality? Why---there is no more to going to bed with women and boys than rubbing one hand against the other. Immortality? A man has as much hope of survival after death as that roast fowl on the dining table there... The god that the world saw him worship was the god of power." (Pg. 111) Urban VI "drank heavily so that the phrase 'Let us drink like a pope' became current in his lifetime." (Pg. 132) He observes, "It was from here onward that the reign of Rodrigo Borgia took on its lurid colors. Hitherto, the Vatican had been the scene of scandalous behavior; now, the court because actively criminal---curiously, deliberately, perverted... (there were) scenes the professional pornographers of the day could not have bettered." (Pg.

197-198)Catholic history has obviously been reformed since these times; still, this engaging and sometimes shocking history is a fascinating view into a side of history that is often forgotten these

days.

- My daughter is collecting this series of books. She loves animals and has read many of the books already. She was thrilled with this one.
