#### REVIEW OF THE BARTENDERS GUIDE TO MOCKTAILS CREATE ON TREND NON ALCOHOLIC DRINKS WITH ATTITUDE

- This book was fascinating. I could not put it down. I hope that there will be a sequel.
- I think that *The "Scarlet Lettter"* is a very well written book. One of the things that I would watch out for, is the vocabulary and how it is used in the context. The vocabulary is very confusing at times. However, it can lead you on to another world by wisking you off in the times where the "Scarlet Letter" took place. Other than that, I think this book is very good. I personally liked the characters and their roles in the story. The main character, "Hester Prynne", is written very carefully and it shows how she struggles to go on with her life. That is the only thing I can say about this book. You have to read the rest to find out what happens.....
