REVIEW OF KASUMI REBIRTH FULL GAME

- Wow, it was so wonderful to see these "Jimmy Olsen" issues again, and in color, too! These comic books were illustrated by the awesome Jack "King" Kirby, and he turned the DC Comics - "Jimmy Olsen" franchise into a winning book title, again for DC Comics. This was part of his "New Gods vs. Apokolips" - Fourth World" series of book titles for DC Comics. This goes with "The New Gods", "The Forever People", and "Mister Miracle" comic book titles. Jack Kirby has the unique ability to predict technology and draw it in a form that looks believable, with geometric shapes, before such objects became mainstream in the world of today. It was

magnificent to rediscover the thrill I had when I first read them in the early 1970's.

- When I started reading Past Imperfect I felt that I had made a mistake in downloading this book, but i was determined to give it a try and I am glad

I did. The jumping back and forth in the 30 year span can get confusing at times and I found myself going back to earlier chapters to make sure I was following along properly. All in all I am glad I finished it and I did enjoy it even though it did take some time and drive to get fully into the story.
