## **REVIEW OF FREE DOWNLOAD HAYNES MANUAL FORD MONDEO**

- I met Izzy at a workshop he led several years ago. As a professional facilitator, I'm any trainer's worst nightmare: the professional in the audience. Well, Izzy and his workshop were awesome, and his book is a MUST HAVE for trainers and facilitators. Absolutely valuable in helping me re-think how I engage people in workshops I lead and develop. This book has helped me take chances, and by leaning into my discomfort, I've led the way for people I work with in a team setting.

- Dean Koontz did a very good job of putting a twist on the story of Frankenstein. I enjoyed the series very much.
