LAST JUDGMENT

After reading and analyzing Dont Let Go from cover to cover, we have pertained to our final decision.

THE PROS

Among the main highlights of this publication Dont Let Go is its special storytelling design which keeps the readers involved throughout guide. In addition, the strong characters make the book extra relatable and delightful to check out. Additionally, the story twists maintain the reader on their toes, making the book uncertain and amazing.

THE CONS

However, there were some aspects that we located lacking. The pacing of Dont Let Go was slow-moving at times, that made it feel dragged out. Furthermore, there were some loosened ends that were not tied up by the end of the book, which left us with unanswered concerns.

Dont Let Go

LAST IDEAS

On the whole, our company believe that Dont Let Go is worth a read, in spite of some small imperfections. The one-of-a-kind storytelling design, relatable characters, and story spins make it a rewarding enhancement to your shelf. So, if you're searching for an exciting read, Dont Let Go is absolutely worth taking into consideration.

REVIEW OF DONT LET GO

- This was a required book for one of my education classes. Though it is for classes 6 - 12, it is written as though it is for elementary school. Perhaps it is because I do not agree with the authors opinions and initial thoughts about students and teaching at the beginning that set me against her style of writing (she expresses her disappointment at teaching middle schoolers and her feeling that it is not her responsibility to help teach her children to read -- If they couldn't already do it, she didn't think that it was *her* responsibility to change that). This is my reason for not loving this book. The information about different reading strategies including those to use before, during and after reading is very good, however, and the reason that I bought this book again after the class was finished and I was in the classroom. There are many strategies listed in this book and they are gone over in great detail, which is very helpful. Overall, a helpful book, but I wish that the teacher had not included so much about her opinions and experiences.

- This book is a must read for everyone interested in learning the truth about today's politics and who the true powerbrokers of this world are!
