REVIEW OF DATA MINING CONCEPTS TECHNIQUES THIRD EDITION SOLUTION MANUAL

- This book really focused on all aspects of the co-dependency issues that we face daily. Highly recommend this in addition to Codependent No More by Melody Beattie. The daily readings help

you to understand and recognize behavior patterns that can be worked on by the Codependent. As far as ordering from Amazon, I have had no problems with any of my orders.

- I bought this book when it first came out 20 some odd years ago, and of the 1000+ books I've read, this is still one of my all time favorites. I drag it out every few years and re-read it, and it still makes me laugh.
