REVIEW OF INTEGRATED MARKETING COMMUNICATIONS

CAMPAIGN

- I paid full price for "Blue Highways" at Harvard Book Store and I don't regret it for one minute. I picked it up based on reviews I had read elsewhere. I didn't even think of Amazon when I went to look at it at the bookstore. I was just curious. It intrigued me immediately. This simply may be one of the best books (of

any genre) I have read in a very long time. I'm not going to ramble on; there are 127 other reviews that you can read, but if you are thinking about this book -- and I suppose that's why you are here -- I would buy this book. It is simply outstanding.

- I was surprised at how quickly the book I ordered was sent to my house. Thank you for your quick response. Terri
