REVIEW OF SRI LANKA PLANNING SERVICE EXAM PAST PAPERS

- Highly recommended for the general reader as well as investment types. While all of the jargon and concepts are lucidly explained, some of it may not stick when used later in the book but it really doesn't make much difference. It's exciting and TIMELY nonetheless
- Reminded me of a Tom Wolfe novel because it mixes great characters and a powerful story with some keen insights into the current scene. Couldn't come at a more appropriate time, too. "Masters of the Universe" redux!
