REVIEW OF BURIED PIPE DESIGN

- Set of two booklets about difference, tolerance, and working together aimed at younger children from the Southern Poverty Law Center's Teaching Tolerance project. (Free to schools, BTW). Books were not new as advertised, but in excellent condition. One box contained 6 booklets, the other only 5. Product came quickly; no problems otherwise with seller. The stories are worth reading and would recommend without reservations.
- I'm working though Psychic Pathway with a group of like-minded friends, and we all agree that Sonia's book is an easy

read, compared to a lot of spirituality books out there. Recommended.
