REVIEW OF PRENTICE HALL ENCUESTROS MARAVILLOSOS ANSWERS

- Death Match. Couldn't put this one down! Quick read that sustained my interest throughout the entire book. Definitely a five-star read.
- This book along with the Raffi music was a favorite in my special education preschool class. I introduced it around Halloween and we would have read it together every day after that if we had the time. By the end of the school year one of my young leaders could pick up this book and read it to a circle of his peers without the music. He had everyone's attention!
