REVIEW OF DISTRIBUTED AND CLOUD COMPUTING KAI HWANG SOLUTIONS

- A must read, along with the Bronte sisters. So much better than wasting time w/ modern romance novels... one almost is there with this struggling young man.
- I cannot recommend this book enough. I have read literally thousands of words on religion and the Bible (including the Bible itself in entirety 5 times) and I have never found a book so spiritually touching as this. Ms. Norris should be counted among the most gifted Christian authors of literature.
