REVIEW OF ECONOMICS PAPER 2 GRADE 12 JUNE

- If you are building a Vivarium or want to care for a reptile but don't know which one... this is your book. It tells you the very basic stuff you need to know about the most common reptiles and amphibians in the pet trade, so you can investigate further. It's very useful and every animal has its picture. Good VIVARIUM ANIMAL reference book.

- Resurrection Day is a multi-theme, multi-plot novel that is complex but easy to follow. I am quite familiar with many of the book's topics (including nuclear weapons) and am impressed with the book's authenticity. Resurrection Day is a fascinating and remarkably well written novel.
