REVIEW OF OPERATION MANAGEMENT 11TH EDITION

- This book is truly a page-turner! It kept me on the edge of my seat, wanting more and more. It made me laugh and cry all at the same time. This heart-felt book truly reached the heart of its readers and I'm sure it reached the heart of God. I recommend everyone read this book. Excellent!!!
- "Happy day" that is the last entry in David's diary." This is the last statement of a young boy whos life came to an end during the Holocaust. All we have to remember him by is his passages in his diary. However this is only ne boys story there are still 4 more to be told.We Are Witnesses tell the story of 5 children who went threw the pain of the holoaust. The stroy is told from there diaries that they had written before there deaths. The diaries include David Rubinowicz, Yitzhak Rudashevski, Moshe Flinker, Eva Heyman, and Anne Frank.I found this book to be very good book about the Holocaust! However on my opinion I found the book was not what I thought it was. On the front it has the words "Five diaries of teenagers who died in the Holocaust." However when i read the book I found every paragraph they would put about 3 quotes from their diaries. When I picked up this book I thought that it would just be quotes from their diaries. However this book still got the point across that at that point in time even some would have wanted to be dead they have to go through one more day of pain.
