REVIEW OF DUCATI MONSTER 796 SERVICE MANUAL

- My daughter just loves curious George and in fact that was her last birthday theme. We gave out an assortment of these as favors. Everyone loved the idea.
- Covering every conceivable sex guide topic (and a few that don't usually come to mind), Alvear's book is a collection of outtakes from his advice column, "Hey, Woody". His style is sassy and full of wit, and also intelligent, especially in his advocating informative choices when it comes to safe sex and drug use, instead of the usual "Just Say No" approach which every ignores anyway. Alvear knows his audience and speaks clearly to them, and while I may not agree with every answer he gives, I found myself learning a thing or two nonetheless. "Men Are Pigs, but We Love Bacon" is a [book] with attitude.
