REVIEW OF NISSAN REPAIR ONLINE

- While many books have been published featuring the work of famed American Impressionist Childe Hassam, few offer such stunning illustrations and none trace so completely the many years Hassam spent marketing his art. He lived the statement he made in 1892: "I believe the man who will go down to posterity is the man who paints his own time and the scenes of every-day life around him." Paint those scenes he did - who is not moved by his depictions of the red, white and blue flags and banners flying from the tallest buildings in New York City at the onset of

World War I? It's clear that Hassam loved New York and painted it in all its many faces - summer, autumn, winter and spring. The artist also spent a great deal of time in New England where he captured quaint villages and fabled East Hampton interiors. Adept at both urban and rural scenes, Hassam studied in Paris where, it's believed, he first became acquainted with the eye catching French Impressionism. He brought much of what he had learned to America, where he would become one of the most prolific practitioners of American Impressionism. H. Barbara Weinberg, Alice Pratt Brown Curator of American Paintings and Sculpture

at The Metropolitan Museum of Art, has done a superb job of selecting the 374 illustrations included in this luxe volume as well as penning engaging and informative accompanying texts. "Childe Hassam: American Impressionist" will be treasured by not only art aficionados but by Americans as well as they come to realize the enormous contribution Hassam made to bolstering pride in our country. - Gail Cooke

- She's done it again! Mary B. Morrison is one of the most TALENTED WRITERS I've read in years! This book is a continuation to Soulmates Dissipate, and I can not say enough about it.. I was mad when I finished it,

because I didn't want the story to end. Mary addressed so many different issues and true life situations in this book. Finding true love, to love or let it go, faith, family, health, promiscuity, and deceit.... A Must READ I promise, you will not be disappointed.
